

**Remarks**

The Examiner alleges that the claims are directed to more than one species of the generic invention. Applicant is required to elect a single species from several claims as indicated on page 3 of the restriction requirement. In response, Applicant elects:

- a. the species hydrophobic molecules from claim 11 and (i) a single log P value of 3.5 within claims 13-15;
- b. an amount of 0.1% of active ingredient partitioned into oil bodies in claims 5-7; and
- c. a 40% efficiency of partitioning of the active agent into oil bodies in claims 8-10.

The Commissioner is hereby authorized to charge any deficiency in fees (including any claim fees) or credit any overpayment to our Deposit Account No. 02-2095.

Should the Examiner like to discuss this matter, he/she is kindly requested to contact Micheline Gravelle at 416-957-1682 at his/her convenience.

Respectfully submitted,

Bereskin & Parr LLP/
